

COOKIES POLICY

I. Purpose

This Policy is established by France Home Finance SARL, publisher of the website www.francehomefinance.com (hereinafter the "website"), whose registered office is 9 rue Jacques Coeur 75004 Paris under the company number: 491778395.

France Home Finance SARL (hereinafter "We", "our", "our") strives to offer you the best possible service and therefore wishes to preserve the confidence you have in our company by informing you of our policy of use and storage of cookies.

II. What is a cookie ?

A cookie is a small text file placed on the hard drive of your computer or mobile device which is sent by the server of the website you are visiting.

The cookie contains a unique code that allows its issuer to recognize the relevant terminal (your computer or your mobile device) each time the website is visited.

The cookie identifies the browser on your terminal but never you personally. In addition, a website server can only read cookies that it has placed itself and does not have access to any other information on your computer or mobile device.

Cookies can either be placed by the server of the website you are visiting "original cookies" or by partners with whom this website collaborates "third party cookies".

III. Period of validity of a cookie

Some cookies expire when you close your browser "session cookies", while others remain longer on your terminal, sometimes even until you manually delete them "permanent cookies".

In general, cookies have a limited period of validity. The most common period of validity is 30 days and the maximum period of 13 months from the day the cookie is placed on your terminal.

IV. General purposes of cookies

The primary goal is to ensure more efficient and faster navigation (eg a cookie remembers the language you choose, identifies you when you access your account, etc.). Cookies remember your preferences and thus allow you to speed up and facilitate your access to the site.

They also make it possible to understand how you navigate on our website.

In addition, they offer the possibility of making the content of a website, or the advertising on that site, more relevant to you. The site will therefore be adapted to your personal tastes and needs.

V. Managing cookies

To place certain cookies on your device, it is necessary that we obtain your prior and explicit consent. We get this through the banner placed on the home page of the website.

In addition, most browsers use cookies. You can also delete these cookies or refuse their installation at any time and free of charge by modifying the options of your browser software. The configuration of each browser is different. Each procedure is described in the help menu of your browser. To do this, please go to the following links:

Firefox: <https://support.mozilla.org/fr/kb/effacer-les-cookies-pour-supprimer-les-information>

Chrome: <https://support.google.com/chrome/answer/95647?hl=fr>

Safari: https://support.apple.com/kb/PH21411?locale=nl_NL&viewlocale=fr_FR

Internet Explorer: <https://support.microsoft.com/fr-be/help/17442/windows-internet-explorer-delete-manage-cookies>

By refusing the use of cookies, you can access our website. However, some functionality will be limited, if not impossible.

VI. Types of cookies

a. Technical cookies

These cookies, which only contain your IP address, are essential for visiting the site.

They allow:

surf the various pages of the website and take advantage of its features;

complete forms;

ensure the verification of your identity when you access your personal data;

secure access to the website.

These cookies do not require your consent since they allow you, in particular, to access the website.

b. Functional cookies

These cookies facilitate and analyze the operation of our website. Thanks to these, we can make your browsing experience more pleasant and more personalized.

Thanks to them we can:

- personalize the services (language, currency, location, navigation data, etc.);
- remember your choices from a previous visit;
- collect information from online forms;
- compile statistics;
- Analyze the use of the site.

Like technical cookies, these cookies are used to improve your browsing experience and do not require your consent.

c. Advertising cookies

These cookies give us information about your browsing habits and allow the advertising content of our website to be tailored to your interests.

On the basis of these, we can analyze the effectiveness of advertising campaigns, in particular by identifying the subsequent actions that you take by clicking on these advertising banners. In addition, on the basis of geolocation data, we can adapt the announcements made to you to let you know of the opportunities available near where you are.

These advertising cookies can also be used to send you targeted advertising messages using technologies that link data based on the sites you have visited.

The information we collect and share can only identify your device.

For these cookies, your consent is required and we ask you for it when you access our website.

d. Analytical or performance cookies

These cookies are used to collect information about how you visit our website. These allow us to measure the audience for the various content and sections of our website in order to improve them.

Thanks to these cookies we can detect navigation problems and improve the ergonomics of our website.

This data is collected and is therefore completely anonymized.

For these cookies we need your consent.

e. Social media cookies

“Social network” cookies share the content that you choose to share via application buttons that belong to social networks. When you use these buttons, a third-party cookie is installed on your terminal and if you are connected to the social network, this information will be added to your profile.

Regarding these cookies, it is advisable to check on each social network what is the scope of data collection and the use of these.

These cookies also require your consent.
